CLEVELAND CLINIC QUARTERLY

INDEX

for Volume 9 — 1942

Addison's disease....127-134
Agglutination test for brucellosis.... 26
Allergy, grass....98-103
Aluminum hydroxide gel....159
  dosage of....162
Angina pectoris, atypical pain in..113-118
  age distribution....113
  blood pressure in....114
  diagnosis of....116
  incidence of....116
  location of....114
  mechanism of....115
  nitroglycerine in treatment of....117
Angine renversee....115
Aniseikonia....62
Anus, transposition of....16-21
Apoplexy....165
  anatomical site of....167
Ascites associated with pelvic tumor..33

Back pain, poor posture and....91-97
Broncholithiasis....36-44
  bronchoscopy in....37, 39
  case reports....38-43
  chemistry of....37
  definition of....36
  diagnosis of....37
  etiology of....36
  incidence of....36
  symptoms of....37
  treatment of....37
Brucellosis....22-31
  diagnosis of....25-28
  modes of infection....22-23
  prognosis....30
  prophylaxis....30
  tests for....24-25
  treatment of....28
  types of....24-25
Brubaker....173
Buerger-Allen exercises....107
Burns....144

Carcinoma of prostate....80-86, 182-183
Cardiac emergencies
  diagnosis and treatment of....69-79
Castration for carcinoma of prostate.80-86
Cerebrovascular disease....165-172
Chemotherapy
  in broncholithiasis....38
  in brucellosis....29
Coagulation time, effect of
  dicumarol on....147-152
Collins....159
Contact lenses....60-62
  technic of fitting....61
Crile, Jr....32
Curtis....3
Cystoscopy....179

Diabetes mellitus, two cases....123-134
  with Addison's disease....127-134
    experimental....127
    incidence of....127
  with myxedema....123-126
Dicumarol, effect on prothrombin and
  coagulation times....147-152

case reports 148-150
dosage 148, 151
Dilantin in treatment of encephalitis .. 90
Dinsmore 187

Encephalitis, chronic 87-90
mortality 87
symptoms of 87
Ernstene 69, 113
Esophagus, diverticulum of 187-192
operation for 187-188, 190
technic of 190
postoperative care 191
Epididymitis 183

Fibroma of ovary 32-35
case histories 32-34
classification of 32-33
pathology of 35
Fluid intake in prostatic disease 179
"Frozen pelvis" 33

Gastroscopic examination, review of 938 cases 119-122
Gastroscopy, purpose of 119
comparison with roentgenography .. 120
indications for 121
limitations of 121
Gastric tumor, benign 45-53
case report 45
diagnosis of 48
examination for 50
incidence of 47
symptoms of 47
Grass hay fever 98-103
allergens 98
case reports 102
investigation of 99
symptoms of 98
treatment of 99-101

Haden 144
Harris 36
Hartsock 22
Hay fever, grass 98-103
Hemiplegia and cerebrovascular disease 165-172
Heparin 147
Higgins 80, 178
Hodgkin's disease 144-146
blood count in 145
description of 144
mortality 146
symptoms of 144
x-rays in 145

Ileum, leiomyoma of 173-177
Infection in the bladder 178
in brucellosis 23
Insulin implants 153-156
experimental 153
results 154
Internal capsule, blood supply of 165
Intervertebral disc, rupture of, unusual tumors simulating 54-59

Jejunal ulcer 159-164
case reports 161
definition of 159
diet in 162
gastroscopy in 160
medical management of 161-163
seasonal recurrence of 162
surgery in 159
symptoms of 160
x-ray examination in 160
Johnston 98
Jones 173

Karnosh 165
Kennedy 60
Keratoconus 60

LeFevre 104, 147
Leiomyoma 47

Leiomyoma of the ileum.....173-177
surgery in.....176
use of Mikulicz pack.....176, 177
Lenses for the poor-sighted.....60-63
contact.....60
telescopic.....62
Lewis.....153
Low back pain, poor posture and...91-97
diagnosis of.....92
exercises for.....93-97
Lower.....16

McCullagh.....123, 153
Mediastinitis and esophageal diverticulum.....190
Moore.....36
Myotonia acquisita, (case report).185-186
Myxedema.....123-126

Neurofibroma.....45-53
case report.....45
Nitroglycerine.....117
Nosik.....54, 185

Opsonocytophagic index.....27
Orchidectomy.....182, 183
Ovary, fibroma of.....32-35
Owen.....135

Pellets, insulin, implantation of...153-156
Pontine hemorrhage.....170
Poor posture and low back pain...91-97
Poor-sighted, special lenses for....60-63
Prostatectomy, perineal.....181-183
Prostatic disease, surgery in.....178-184
fluid intake.....179
preoperative preparation...178-179
Prothrombin time, effect of dicumarol on.....147-152
Proudfit.....113
Pulmonary tuberculosis, Weltmann reaction in.....135-143

Radiodermatitis.....3-15
case reports.....4-11
and carcinoma.....7
and cirrhosis and psoriasis.....5
and contact dermatitis.....6
and epidermophytosis.....9
incidence of.....3
and pruritus vulvae.....9
and verruca plantaris.....11
Renshaw.....119
"Rose fever".....98

Sympathetic ganglionectomy in thrombo-angiitis obliterans.....109

Talma's disease (see Myotonia acquisita)
Telescopic lenses.....62
Thrombo-angiitis obliterans.....104-109
description of.....104
diagnosis of.....105
symptoms of.....104
treatment of.....106-109
Typhoid vaccine in treatment of thrombo-angiitis obliterans.....108

Undulant fever (see Brucellosis)

Vasectomy.....183

Warts, treatment of.....11
Weltmann reaction in pulmonary tuberculosis.....135-143
case reports.....139-142
correlation with sedimentation rate.137
experimental.....137
interpretation of.....136
results.....138
